FEET & TOES \$20

MENS' BACK \$65

MENS' CHEST \$65

MENS' ABDOMEN \$35

THINKING ABOUT SCHEDULING YOUR FIRST BIKINI OR BRAZILIAN WAX? HERE'S WHAT YOU NEED TO KNOW.....

BENEFITS OF WAXING

- HEALTHIER SKIN REMOVES HAIR AS WELL AS LIFELESS SURFACE SKIN CELLS. YOU GET HAIR REMOVAL + SKINCARE ALL AT ONCE!
- SMOOTHER SKIN HAIR IS REMOVED AT THE ROOT AS OPPOSED TO SHAVING, WHICH RESULTS IN SUPER SMOOTH, SOFT SKIN
- LONGER-LASTING RESULTS TAKES MUCH LONGER FOR HAIR TO GROW BACK THAN WITH SHAVING
- THINNER, FINER HAIR ONCE HAIR STARTS GROWING BACK IN AFTER WAXING, IT COMES BACK MORE WEAK THAN BEFORE. YOU WILL NOTICE FINER, SOFTER AND MORE SPARSE HAIR THAN BEFORE. WIN-WIN-WIN!!
- MINIMAL IRRITATION EPILATION, SHAVING AND CREAM HAIR REMOVAL CAN CAUSE SKIN IRRITATION WHERE AS PROFESSIONAL WAXING DOES NOT.

TYPES OF BIKINI/BRAZILIAN WAXING

- BASIC BIKINI WAXING THE SIDES (PANTY LINES) AND JUST ACROSS THE TOP. KEEPS ANY HAIRS FROM PEEKING OUT OF YOUR BIKINI.
- MODIFIED BIKINI TAKE OFF AS MUCH AS YOU WANT IN THE FRONT, LEAVE A SMALL STRIP, SQUARE OR TRIANGLE-ITS UP TO YOU!
- BASIC BRAZILIAN EVERYTHING OFF THE FRONT, STOPPING

WHERE THE BACKSIDE STARTS.

- FULL BRAZILIAN ALL HAIR IS REMOVED FRONT TO BACK, INCLUDING A STRIP OF HAIR AROUND THE BUTT AREA. YOU CAN LEAVE A SMALL STRIP, SQUARE OR TRIANGLE IN THE FRONT IF YOU SO CHOOSE, OR GO BARE! ITS UP TO YOU.

HOW TO PREPARE FOR YOUR FIRST WAX EXPERIENCE

- YOU WILL NEED ABOUT ¼ INCH HAIR GROWTH, CLOSE TO THE SIZE OF A SMALL GRAIN OF RICE. ABOUT 10-14 DAYS GROWTH. THIS MUCH GROWTH IS NECESSARY FOR THE WAX TO BE ABLE TO GRIP THE HAIR.
- EXFOLIATE REGULARLY. I RECOMMEND PURCHASING EXFOLIATING GLOVES. THESE CAN BE PURCHASED AT STORES SUCH AS ULTA, SALLYS, CVS, WALGREENS AND EVEN SOME GROCERY STORES CARRY THEM IN THE BATH PRODUCT AISLE. EXFOLIATING REGULARLY BEFORE AND AFTER WAXING WILL ENABLE THE WAX TO BETTER GRIP THE HAIR, AS WELL AS, PREVENT ANY RARE INGROWN HAIRS FROM HAPPENING BETWEEN SERVICES.
- INFORM ME OF ANY MEDICATIONS YOU ARE CURRENTLY TAKING SUCH AS ANTIBIOTICS, ACCUTANE, OR TOPICAL CREAMS SUCH AS RETIN-A, AS THESE MAY NOT BE COMPATIBLE WITH WAXING.
- WEAR COMFORTABLE, LOOSE CLOTHING (THINK LOOSE SWEATPANTS OR JOGGERS), COTTON PANTIES (OR NONE AT ALL), TO AVOID ANY UNNECESSARY IRRITATION AFTER WAXING.
- DO NOT TAN FOR 24-48 HOURS PRIOR TO OR AFTER YOUR APPOINTMENT. DO NOT SPRAYTAN PRIOR TO YOUR APPOINTMENT AS THE WAX WILL REMOVE ANY SPRAYTAN FROM THE AREA. PLAN YOUR SPRAYTAN APPOINTMENT 24 HOURS AFTER YOUR WAX TO ALLOW THE FOLLICLES TO CLOSE AND YOUR SKIN TO CALM DOWN AS WELL.
- DO NOT CONSUME ALCOHOL OR SIGNIFICANT AMOUNTS OF CAFFEINE PRIOR TO YOUR APPOINTMENT. BOTH CAN CAUSE THE PORES TO TIGHTEN AND WILL MAKE FOR A MORE UNCOMFORTABLE EXPERINEECE.
- DO RELAX. THE MORE RELAXED YOU ARE, THE LESS PAINFUL THE EXPERIENCE WILL BE. I PROMISE YOU THAT IT DOES GET EASIER EACH APPOINTMENT!
- DO VIEW YOUR WAXING EXPERIENCE AS PAMPERING YOURSEL-

YOU WILL BE SO THANKFUL YOU FINALLY DID IT!!

AFTERCARE

YOUR FIRST WAX REMOVES THE MAJORITY OF THE HAIR GROWING ABOVE THE SKIN. BECAUSE HAIRS GROW IN DIFFERENT CYCLES, YOUR SUBSEQUENT WAXES WILL REMOVE THE HAIRS THAT WERE STILL GROWING BELOW THE SKIN'S SURFACE BUT HAD NOT YET SPROUTED ABOVE THE SKIN. AFTER ABOUT 3-4 WAXING SESSIONS, ALL OF YOUR HAIRS SHOULD BE GROWING AT THE SAME CYCLE, RESULTING IN LONGER-LASTING, SMOOTHER SKIN. SO AFTER YOUR FIRST WAX SESSION, BE SURE TO SCHEDULE YOUR NEXT SESSION ABOUT 4 WEEKS OUT-AND KEEP IT UP!!! YOU WILL BE HAPPY YOU STUCK WITH IT. CONSISTENCY PAYS OFF, AND IT GETS EASIER EACH TIME! PLEASE DON'T SHAVE EITHER. IF YOU DO, THE NEXT TIME YOU DO SCHEDULE A WAX, IT WILL FEEL LIKE YOUR FIRST TIME ALL OVER AGAIN. ADDITIONALLY, SHAVING BETWEEN WAXES WILL CAUSE ITCHINESS, OR WORSE-INGROWN HAIRS. PUT THE RAZORS DOWN...OR, BETTER YET- THROW THEM AWAY!!

WAIT 24-48 HOURS TO TAN. YOUR FRESHLY WAXED SKIN IS MORE SUSCEPTIBLE TO SUN DAMAGE. IF YOU DO GO OUT IN THE SUN, SPF IS YOUR BEST FRIEND.

WAIT 24-48 HOURS BEFORE SEX. SORRY LADIES, BUT YOU NEED TO GIVE YOUR FOLLICLES TIME TO CLOSE. THIS WILL PREVENT ANY FURTHER IRRITATION.

POSSIBLE SIDE EFFECTS

- REDNESS YOU CAN BE RED FOR A FEW MINUTES, HOURS OR DAYS, DEPENDING ON YOUR SKIN SENSITIVITY AND HOW YOUR SKIN HANDLES THE WAX. THIS WILL DISAPPEAR OVER TIME.
- INGROWN HAIRS I SWEAR BY THE EXFOLIATING GLOVES AND A SENSITIVE SKIN BODY WASH. I STARTED GETTING BRAZILIANS ABOUT 9 YEARS AGO. I EXPERIENCED AN INGROWN HAIR HERE

AND THERE IN THE FIRST YEAR. SINCE DISCOVERING THE GLOVES- I HAVE HAD ZERO INGROWN HAIRS.

- STUBBLE AFTER WAXING JUST WAXED AND SEEING A "5 O'CLOCK SHADOW"? YOUR HAIRS GROW IN DIFFERENT CYCLES. ITS POSSIBLE THE HAIRS UNDER THE SURFACE OF THE SKIN HAVE SPROUTED AFTER YOUR SERVICE, RESULTING IN A STUBBLY FEEL. ALLOW THESE HAIRS TO GROW-DO NOT SHAVE THEM-WE WILL REMOVE THEM THE NEXT SESSION. IT IS A PROCESS-STICK WITH IT!!!
- BUMPS POST-WAXING IRRITATION BUMPS LOOK LIKE RED, BUMPY SKIN. THEY GO AWAY OVER TIME ON THEIR OWN WITHIN A FEW HOURS OR A FEW DAYS DEPENDING ON THE SENSITIVITY OF YOUR SKIN. BENADRYL CREAM WORKS WONDERS. SMOOTH ON A LAYER, AND THEY WILL DISAPPEAR USUALLY WITHIN AN HOUR.
- ITCHY AFTER WAXING ITS TEMPTING, BUT TRY NOT TO SCRATCH THE FRESHLY WAXED AREA. AGAIN, BENADRYL CREAM IS A LIFESAVER. ALOE VERA GEL IS GREAT ALSO.

FAQS ABOUT WAXING

CAN I WAX WHILE ON MY PERIOD? YES, ABSOLUTELY. BUT BE AWARE, YOU WILL OBVIOUSLY BE MORE SENSITIVE, SO YOU MAY EXPERIENCE MORE DISCOMFORT THAN USUAL. YOU WILL ALSO NEED TO WEAR A FRESH TAMPON AND 'TUCK' THE STRING OUT OF THE WAY.

CAN I WAX IF I AM SUNBURNED? NO. YOU WOULDNT LIKE ME IF I WAXED YOU WHILE SUNBURNT. CALL TO BOOK ONCE YOU HAVE HEALED.

CAN I WAX WHILE ON MEDICATION(S)? CREAMS SUCH AS RETIN-A, DIFFERIN-STOP USING AT LEAST 7 DAYS PRIOR, AND RESUME 7 DAYS AFTER. I WILL NOT WAX YOU IF YOU ARE ON, OR HAVE BEEN ON, ACCUTANE WITHIN THE LAST 6 MONTHS.

CAN I WAX WHILE PREGNANT?ABSOLUTELY! HOWEVER, YOU

MAY BE MORE SENSITIVE DUE TO THE HORMONAL CHANGES. PLEASE GET A DR. NOTE IF PLANNING TO WAX WITHIN THE LAST TWO MONTHS OF PREGNANCY.

IS THERE AN AGE LIMIT FOR WAXING? IF YOU ARE UNDER 18, A PARENTAL CONSENT FORM MUST BE FILLED OUT.

WHAT IF I HAVE PIERCINGS OR TATTOOS DOWN THERE, CAN THOSE HINDER MY EXPERIENCE IN ANY WAY? WITH PIERCINGS, IF THEY CANNOT BE REMOVED, I WILL WORK AROUND THEM AS BEST AS I CAN-NO PROBLEM! AS FOR TATTOOS, WAXING WILL ACTUALLY BRIGHTEN THE AREA BY EXFOLIATION.

SO, WHAT ARE YOU WAITING FOR? CALL AND BOOK YOUR FIRST BIKINI OR BRAZILIAN WAX NOW, YOU WON'T REGRET IT, I PROMISE.
